Mayor Weldon announced that the opportunities for attending the meeting had been advertised on the City's website (with link provided), the City's Facebook page, and in the Malvern Daily Record.

Answering the roll call were Council members Mary Fraction, William Wilson, Lynn Davis, Wayne Reynolds, Matthew Keenan, David Cross and Larry Stiles with Peggy Lusinger absent. Also present was City Clerk/Treasurer Phyllis Dial with City Attorney Cecilia Ashcraft absent. Mayor Weldon noted that the reason for the special meeting was because both bidders will require some time after notification of acceptance to begin work. Voting for the motion were Council members Mary Fraction, William Wilson, Lynn Davis, Wayne Reynolds, Matthew Keenan, David Cross and Larry Stiles with Peggy Lusinger absent. All present voting for, motion carried, and the bid was accepted.

Mayor Weldon presented the bid summary for the special eradication project. Fire Marshall/Code Enforcement Brewster noted that both contractors have done work for the city previously. Several aldermen expressed a desire to utilize a local contractor to support local business. A motion was made by Council Member Matthew Keenan, seconded by Council Member Cross, to accept the bid from Hobbs' Contractors Inc in the amount of \$106,704.00 for the Special Eradication Project that will eliminate twenty-four (24) dilapidated structures in the City, because he is a local contractor. Voting for the motion were Council members Mary Fraction, William Wilson, Lynn Davis, Wayne Reynolds, Matthew Keenan, David Cross and Larry Stiles with Peggy Lusinger absent.
